Graduate courses for K-12 Teachers

Summer 2021

TUITION INFORMATION: \$1500.00 for a three (3) credit course. All courses listed below are 3 Graduate Credits

Anne Arundel County Public Schools will forward payment to RTC for \$750.00 (3 credit course) for teachers who successfully complete the course with a grade of “B” or better. This course will count towards the maximum of six credits for which the county will reimburse teachers per fiscal year. Please check with your Human Resources Department for eligibility. The registrant must pay \$750 if eligible for reimbursement. Pre-registration is required. You may register by calling 1-800-433-4740 or online at www.theRTC.net.

Course Formats:

Our newest format is the Virtual Classroom which has replaced our face to face classes for the Summer. The Virtual classroom courses will be offered in the same timeline as face to face courses. Zoom will be used as the virtual platform. Although you will be meeting in a structured format, there will be activities away from the group meeting that mirror our in-person classes as well as breaks during the day. Some activities include group collaboration, article and textbook reading, presentation planning, lesson design, online activities, classroom reflection, journaling, and more that make an RTC course hands-on, collaborative and relevant. A Learning Extension Project (LEP) is due no later than two weeks after the last in-class meeting. The LEP submission deadline marks the conclusion of the course.

Our well received online courses are in a 6-week instructional format and some are in a 4-week instructional format. Each week a set of activities will open to work on at your own pace while adhering to the due dates posted. A Learning Project (LEP) is due no later than one week after the last published date. The LEP submission deadline marks the conclusion of the course.

Online and Virtual Classroom classes are offered under PA course numbers.
