---

*Students are responsible for treating each other fairly and for acting in compliance with school policies and reasonable directions from school staff.*

## Academic Dishonesty

Learning occurs best in an environment with academic integrity. Academic integrity is a fundamental value of teaching, learning, and scholarship. Academic integrity is an integral part of promoting self-respect, trust, student achievement, and positive relationships among all stakeholders in our school community. Students are expected to exhibit academic integrity with regard to all academic exercises and assignments.

Middle and high school students will be asked in either home room or student advisory to sign an acknowledgement that they have read the Academic Integrity Policy and Regulation at the start of each year, along with a statement pledging that they have read, understand, and will adhere to this Policy and Regulation when submitting all academic work.

Middle and high school students who enroll after the beginning of the school year will be asked in either home room or student advisory to sign an acknowledgement that they have read the Academic Integrity Policy and Regulation at the start of each year, along with a statement pledging that they have read, understand, and will adhere to this Policy and Regulation when submitting all academic work.

Copies of the signed acknowledgement will be retained at each school's main office.

Violations of the Academic Integrity Policy and Regulation may result in disciplinary action. Consequences for violations may vary according to the severity of the violation and will follow the progressive interventions and discipline as outlined in the Student Code of Conduct.
