1. Go to [www.aacps.org/vaxstatus](http://www.aacps.org/vaxstatus)

2. Select the button that reads **Click Here**

3. Log in with the student’s AACPS login credentials. The username is the student’s AACPS email address, which is the 6-digit student ID number with “@aacps.org” (for example: 111111@aacps.org). The password is the normal AACPS password that the student uses to login to AACPS computers and applications.

4. If this is the first login, the **Contact Details** screen will appear. No changes can be made. Click **Submit**.
5. Once logged in, click the **Submit Attestation** link

Read carefully through the text in the Attestation.

Then, select from the two choices:

- **My child is not Fully Vaccinated against COVID-19 or I do not wish to share my child’s vaccination status with AACPS.**
  
  I understand this means that, if my child is a high school student-athlete, he/she/they will be required to be tested weekly for COVID-19.

  NOTE: This option is selected by default.

- **My child is Fully Vaccinated against COVID-19.**

Check the box indicating you have read The above information.

Check the box indicating you have the Privacy Statement.

Click **Submit**
