

2020 YIPS Conference

Youth Injury Prevention in Sports

Continuing Education – 3.0 CME/CEUs

Keep Kids in the Game and Safe!

Health care professionals, coaches, and athletes alike recognize the benefits of sports and exercise. The YIPS annual conference addresses strategies to keep kids playing sports safely.

This year we focus on an evidence-based review of 4 major youth sports injury prevention issues:

- Concussion management
- ACL injury prevention
- Nutritional guidelines
- Long-term athletic development

Presentations and panel discussions will focus on risk factors, symptoms and the challenges in prevention and treatment when working with youth athletes.
