2020–2021 Year-End Reminders Looking Ahead to the 2021–2022 School Year

PAYROLL

22-pay employees

- June 30, 2021, is the last pay for all 22-pay employees for the 2020–2021 school year.
- The first pay for all 22-pay employees for the 2021–2022 school year will be September 8, 2021.

26-pay employees

- **12-month employees are paid over 26 pays.** The 26-pay schedule will continue biweekly throughout the summer.
- **10-month employees receiving pay over 12 months (26 pays)** receive reserve pay over the summer. Reserve pay is the total amount withheld from the 22 regular pays to be distributed over the summer pays (July 14, July 28, August 11, August 25).

Teachers, Teacher Assistants, and Eligible Unit III Employees May Elect 26-Pay Schedule

Per the Negotiated Agreement between the AACPS Board of Education and Collective Bargaining Units, certain 10-month employees may receive their pay over 12 months (26 pays) instead of 22 pays. This election, governed by IRS code 409A, must be made by July 31, 2021, for the 2021–2022 school year. Pay election forms are available on-line (www.aacps.org/hrforms) and at work locations. This election is **irrevocable** until after the end of the school year, in accordance with IRS regulations.

If the election to receive your salary over 26 pays is to be withdrawn, eligible employees should submit a written request to Human Resources/Payroll between **June 1 and July 31** of any calendar year to change payroll frequency for the subsequent school year.

If you have any questions about this information, call your Payroll Process Support Specialist (see your timekeeper for phone number).

Resignations/Other Separations—10-month employees

Unit I ten-month employees paid over 26 pays who notified AACPS (by April 15, 2021) of their intent to **resign** at the end of the school year may retain healthcare benefits through August 31, 2021 (April 1 for Units III, IV, and V). Others who resign at the end of the school year will be covered with healthcare benefits through the end of the month after submitting their notice.

Voluntary benefits, including 403(b)/457(b) plans, will terminate June 30, 2021, with the final deduction taken June 30, 2021. Dues for 10-month employees paid over 26 pays will be withheld from summer paychecks.

Retirements—10-month employees

Ten-month employees who retire at the end of the school year will be covered with healthcare benefits through June 30, 2021. Retiree coverage, if elected, will commence July 1, 2021. New retirees will prepay for July retiree healthcare via check and will start regular retiree healthcare deductions on their first pension payment.

10-month retirees paid over 26 pays will receive reserve pay over the summer from AACPS. Voluntary benefits, including 403(b)/457(b) plans and FSA deductions, will terminate June 30, 2021, with the final deduction taken June 30, 2021. Accessing your Supplemental Retirement Plans (403b/457b) After You Resign/Retire

Consult with your personal plan representatives on options available to you concerning your Supplemental Retirement Program. If you wish to initiate a withdrawal, rollover, or take a complete distribution from your plan, you are required to initiate a "Severance of Employment Certificate" through Retirement Manager (online tool at www.aacps.org/SupplementalRetirement). You will need to provide this certificate along with the required plan forms directly to your AIG Retirement Services representative for processing. No AACPS signature is required.

For additional information, you may seek assistance from your AIG representative, contact Retirement Manager Customer Service at 1-866-294-7950, or contact HR/Benefits at 410-222-5206/5221.

BENEFITS cont.

Beneficiaries

It is very important to make sure your beneficiary information for Life Insurance, Maryland State Retirement, and Supplemental Retirement (403b/457b) is always up to date. You should review your beneficiary information at least once a year and if you experience certain life events such as marriage, the birth of a child, or divorce. The

beneficiary designation forms for AACPS life insurance and Maryland State Retirement Agency are available online at www.aacps.org/hrforms.

Employees should also add or update beneficiaries by logging on to the AIG Retirement Services site at <https://aacps.aigrs.com>.

The Impact Of Lifestyle Changes On Your Healthcare Benefits

When you experience a lifestyle change, the most important thing to know is you only have 31 days from the date of the event to add or drop a dependent.

The most common types of lifestyle changes are marriage, divorce, and birth, but there are others (you may check the Benefits Guide online for detailed examples). Download a lifestyle change form online at www.aacps.org/hrforms and submit it to HR/Benefits along with the required documentation (e.g., birth certificate, marriage license, divorce decree).

The changes that you make must be consistent with the lifestyle change you have experienced (e.g., adding coverage for the addition of a child). HR/Benefits will process the change as soon as possible and will take retroactive premium adjustments if appropriate.

Note: Per the Consolidated Appropriations Act of 2021, permanent active employees are able to contact the Office of Benefits anytime during 2021 to either enroll, revoke, increase, or decrease their healthcare and/or dependent care FSA election(s)/annual goal amount(s). This provision expires December 31, 2021.

Important Benefits Information— Divorce

Upon divorce, the divorced spouse is no longer eligible for AACPS employee healthcare benefits. Therefore, immediately upon becoming divorced, the employee MUST notify the Benefits Office so coverage can be terminated for the divorced spouse and covered step-children. Subsequently, the employee must submit a Lifestyle Change form and include the divorce documentation.

Failure to notify AACPS immediately of a divorce may result in the employee being held liable for any claims incurred by the divorced spouse.

Divorced spouses are eligible for COBRA.

Healthcare Benefits While On FMLA

If you are out on Family Medical Leave (FMLA) you will continue to be covered under the AACPS group health and life insurance plans. You continue to pay your portion of the premium costs. If you are not receiving a check while out on leave, you may either:

- Allow the owed premiums to accumulate; they will be automatically deducted from the first check you receive after you return to work, or if you are out over the summer, they will be deducted from your summer pay.

- Pay AACPS directly by check during your absence.

If you fail to return to work at the conclusion of your leave, you will be required to reimburse AACPS for the total cost of monthly premiums paid for you.

If you have questions, call HR/Benefits at 410-222-5219.

Submitting FSA Claims

Debit card use for medical expenses will require documentation to substantiate the eligibility of the expense for a FSA. Employees should log on to www.wexinc.com throughout the year to verify if additional documentation

is needed. Failure to substantiate the expense may result in the expense being deemed ineligible, the amount being deducted from your pay and future tax impact.

SUPPLEMENTAL RETIREMENT PROGRAM — 403(b) and 457(b)

Take some time over the summer to re-evaluate your Supplemental Retirement Plan or sign up for a new plan. New participants simply enroll online at <https://aacps.aigrs.com>.

The enrollment link and additional information including contact information for the AIG representatives is available at www.aacps.org/SupplementalRetirement. If you have additional questions or need assistance, contact HR/Benefits at 410-222-5221/5219 or email your questions to benefits@aacps.org. Check out the SRP Newsletter topics.

IMPORTANT INFORMATION FOR EMPLOYEES AGE 65 AND OVER REGARDING MEDICARE

If you continue to work past your 65th birthday or your spouse turns 65, and you and your spouse are covered under the AACPS employee healthcare program, here is some important information you should know:

- 1) Medicare Part A (hospitalization):** Enrollment is automatic if you receive Social Security payments. There is no cost for Medicare Part A. If you wish to receive Part A, log on to www.SSA.gov and apply to receive it at age 65. If you receive a Medicare Part A care while covered under AACPS employee healthcare, Medicare Part A would be your supplemental insurance and AACPS is your primary. Therefore, be sure your provider knows **not** to submit any claims to Medicare first. In most cases, your AACPS insurance will cover all the costs Medicare would have so you may have no use for Part A at this time.
- 2) Medicare Part B (physician services):** If you and any dependents turn 65, you will defer Part B until you, the employee, are ready to retire. Medicare Part B costs money and you are not able to use both Medicare and your AACPS employee healthcare. However, it is a requirement that you, and any dependent 65 and older, apply for Medicare Part B in retirement in order to keep AACPS retiree benefits. Soon-to-be retirees should seek guidance from the Office of Retirement about Medicare enrollment timeframes as they approach their retirement date (410-222-5224). Active employees or dependent spouses who are offered Part B due to disability should contact Benefits to discuss.

EMPLOYEE SELF-SERVICE

Employees should go to Employee Self Service (ESS) to view their biweekly pay statement, which includes pay details, deductions, leave, benefits, dependents, and other personal information. Employees can also update their address and contact information for ConnectED calls. **Information on ESS is secure and the data is encrypted. Regardless of how you access it, our server controls the security of the data.**

Effective December 17, 2020, all users who wish to access ESS from work or home must have their authentication (MFA) method setup. Directions for MFA and Self Service Password Reset are located at <https://intranet.aacps.org/Documents/SSPr%20and%20MFA%20directions.pdf>. Please read and follow the directions carefully. You can sign up onsite or at home.

To access the ESS system, go to <https://ess.aacps.org> and enter your network username (entered in lowercase letters) and password. Employees **must** logout of the ESS system when they are done. Employees should keep their password secure and not share it with anyone.

Employees can access User Guides, a Quick Reference Guide, Frequently Asked Questions, and other resources at the Employee Self Service button on the HR Intranet page.

If you have trouble accessing the ESS system, or need your network login and password, please contact the Help Desk at 410-222-5135 or Help-Desk@aacps.org. If you have a question about the information displayed in ESS, please contact HR at 410-222-5061.

CERTIFICATION

Certificate Renewal Timeline

REMINDER: Maryland teaching certificates are issued effective January 1 or July 1 and expire on December 31 or June 30 of the year shown on the certificate. All AACPS educators holding Maryland Professional Educator Certificates **MUST** complete all renewal credit requirements and submit all required documentation to the Human Resources Certification Office no later than the date of the expiration of their certificate. Please verify which credits are applicable to your renewal. For any questions, please contact your Certification Specialist.

A completed Professional Development Plan (PDP) is required for every renewal. The PDP is available on the [Intranet: Human Resources > Certification > Forms & Information](#). It is always recommended to follow up via email to ensure the materials were received.

A memo from the Maryland State Department of Education (MSDE) issued on March 25, 2021 states, "On March 5, 2020, Governor Hogan declared a state of emergency due to the COVID-19 pandemic, and subsequently issued an Executive Order regarding Maryland licenses, permits, and registrations. This Order extends certain licenses and permits, including the Maryland Educator Certificate, which expire and must be renewed during the state of emergency and catastrophic health emergency. **Effectively, any Maryland Educator Certificate that expired on July 1, 2020, or January 1, 2021, will be extended until June 30, 2021, at which time it will expire if the educator has not completed the necessary renewal requirements.**"

Current certificates can be accessed on the MSDE website. Directions on how to do so are located at www.aacps.org/hrforms.

Required Certification Testing Information

When registering for a test, always verify your current test requirement and the required test score needed by visiting www.mdcert.org under "Testing Information". Test numbers and required test scores are periodically updated so timely submission of your score report is important. Neither ETS nor MSDE automatically provides test scores to AACPS. Always submit a copy of your qualifying test results to the attention of your AACPS Certification Specialist, preferably by attaching the PDF document to an email. Include a notation in your email referencing your certification, e.g. if adding an endorsement or completing conditional or reading requirements.

It is important that you allow ample time to prepare for and take your test if you are required to do so for continuing your

certification. Contact your Certification Specialist with any questions related to your test requirements.

Those seeking **initial** professional certification should be aware of important testing changes going into effect July 1, 2022. More information will be shared directly with each affected educator over the summer. For additional information, please contact your Certification Specialist.
