

This SYTYCT online workshop will present information about MSDE teacher certification requirements and introduce multiple pathways for conditional new hires to become certified.

General information will be provided about two AACPS alternative certification programs with contact information for Maureen Gerrity, the program manager for the special education teacher RTC program and more detailed information about the AACC/AACPS RTC program for 14 middle and high school, general education positions including details of how this RTC program works and how to apply.

No pre-registration for any of these sessions is required. Please use the appropriate link and wait to be admitted to the session. For questions or follow-up after the workshop contact Debbie Montgomery, RTC Program Manager, AACC/AACPS RTC Program. - [DMontgomery@aacps.org](mailto:DMontgomery@aacps.org)
