---

Anne Arundel County Public Schools is responsible for ensuring that students are enrolled in and regularly attending school in accordance with Maryland laws and regulations. (Education Article, Section 7-301 of the Annotated Code of Maryland.)

The Responsible Actions Attendance Program was created as a preventative measure to court. This course is designed to help families of truant students become successful.

During the six weeks we explicitly discuss the school compulsory attendance law, consequences of truant behavior, goal setting, practice effective communication skills, discuss parenting styles and effective discipline techniques!
