

AACPS 2019 – 2020 Grades 3 – 5 Assessment Calendar

Most district assessments are timed. Teachers should follow the time requirements of each individual assessment. Due to the nature of the science assessments and the small instructional block devoted to science, the science assessments may last two class periods and all others should last one class period. Performance-based assessments, such as the projects in social studies, may last multiple days. The multi-day windows in this calendar allow schools and teachers flexibility in which day of the window to give a district assessment.

F&P will only be administered to new students or those who have an IEP or other requirements for a fall administration. Teachers use the Running Records from Spring, 2019 in the fall to plan appropriate reading instruction for students.					<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th>Name</th><th>Window</th><th>Scanning Deadline</th></tr> </thead> <tbody> <tr> <td style="background-color: #c6e0b4;">Reading Assessment #1</td><td style="background-color: #c6e0b4;">Oct. 22 - 28</td><td style="background-color: #c6e0b4;">Nov. 11</td></tr> <tr> <td style="background-color: #c6e0b4;">Science Assessment #1</td><td style="background-color: #c6e0b4;">Oct. 17 – Nov. 8</td><td style="background-color: #c6e0b4;">Nov. 14</td></tr> </tbody> </table>					Name	Window	Scanning Deadline	Reading Assessment #1	Oct. 22 - 28	Nov. 11	Science Assessment #1	Oct. 17 – Nov. 8	Nov. 14	<table border="1" style="width: 100%; border-collapse: collapse;"> <thead> <tr> <th>Name</th><th>Window</th><th>Scanning Deadline</th></tr> </thead> <tbody> <tr> <td style="background-color: #c6e0b4;">Mathematics Assessment #1</td><td style="background-color: #c6e0b4;">Oct. 30 – Nov. 6</td><td style="background-color: #c6e0b4;">Nov. 14</td></tr> </tbody> </table>					Name	Window	Scanning Deadline	Mathematics Assessment #1	Oct. 30 – Nov. 6	Nov. 14

M	T	W	TH	F	M	T	W	TH	F	<ul style="list-style-type: none"> Although social studies and science are only assessed two times each year, the entire curricula must be taught with fidelity. There are sample assessments throughout the curriculum guides for teachers to use. To allow for more teacher flexibility, teachers may give the science and social studies district assessments, including the performance-based assessments, anytime in the last 15 days of the quarter. Teachers must ensure that they have covered the course material prior to administering the assessment. CogAT is required for all Grade 5 students who were NOT previously identified as GT. Performance Series will only be used this year for Grade 5 GT identification if we do not have Grade 4 PARCC scores for select students.
