

This report shows the results from the DIBELS 8<sup>th</sup> Edition assessment, which is used as the reading screener by your district. Please use the report you received from your student's school along with the information below.

**The chart below shows how your child scored in relation to the goal of each subtest and composite score.**

**Below is a description of each part of the DIBELS assessment for reading screening.**

**Letter Naming Fluency** (Kindergarten and Grade 1 reports only)

LNF measures a child's ability to say the names of letters from a printed page.

**Phoneme Segmentation Fluency** (Kindergarten and Grade 1 reports only)

PSF measures phonemic awareness, the ability to hear and manipulate sounds in spoken words.

**Nonsense Word Fluency – Correct Letter Sounds** (Grades 1 and 2 reports, and some Kindergarten reports)

NWF-CLS measures basic phonics skills.

**Nonsense Word Fluency – Words Recoded Correctly** (Grades 1 and 2 reports, and some Kindergarten reports)

NWF-WRC measures basic phonics and blending skills.

**Oral Reading Fluency – Words Correct** (Grade 2 reports, and some Grade 1 reports)

ORF measures the ability to read accurately and automatically.

**Oral Reading Fluency – Accuracy** (Grade 2 reports, and some Grade 1 reports)

ORF accuracy is the percent of words the student reads correctly.

**Word Reading Fluency** (Grades 1 and 2 reports, and some Kindergarten reports)

WRF measures the ability to read grade-level words from a page.

**Maze – Adjusted Score (Grade 2 Students only)**

Maze is a measure of reading comprehension.

**DIBELS 8 Composite Score**

DIBELS Composite is a combination of scores on multiple DIBELS measures.

**Support for Families**

*For Kindergarten Reports: **Practice at home.*** Reading with young students helps them practice phonemic awareness, phonics, letter naming, vocabulary skills and listening comprehension.

*For Grade 1 Reports: **Practice at home.*** Reading aloud with a student can help build phonics skills, vocabulary, fluency and reading comprehension skills.

*For Grade 2 Reports: **Practice at home.*** Reading aloud with students can help build vocabulary and reading comprehension skills.
