Taking Care Of Your Chromebook

Students and parents/guardians are responsible for the general care of the device they have been issued. Anne Arundel County Public Schools has issued Chromebooks in order to support access to virtual learning. When a Chromebook becomes damaged, that learning is interrupted, so please take care of your Chromebook as you would take care of your gaming station or cell phone. For resources and help using your Chromebook, please visit AACPS Virtual Learning Information www.aacps.org/virtuallearning.

Transporting your Chromebook
Always carry and transport your Chromebook with care.
The screen is delicate and can crack easily. Always be sure the lid is completely closed and secured before moving your Chromebook.

Screen Care
Your Chromebook screen can easily be damaged! Excessive pressure can break the screen.

In Case of a Spill
If a liquid spills into the Chromebook, unplug it immediately. Do not plug back in until it is thoroughly dry.

If your Chromebook is not working, contact your school or email ChromebookIssues@aacps.org.
