Not all of us can do great things. But we can do small things with great love. — Mother Teresa

A Christian Based Non-Profit Assisting Families In Anne Arundel County

"Let us not love with words or tongue but with actions and in truth." 1 John 3:18
Who We Are
HOPE For All is a unique resource in our area for those transitioning from homelessness, or just in need of a helping hand. We offer clients the essentials necessary to create a healthy home. Through community donations, HOPE For All transforms an empty living space with furniture and household goods. We also provide shoes, clothing, and personal care items to offer our clients the confidence to meet the needs of daily life. Our Christian faith calls us to action as we try to stabilize the home environment and offer HOPE for the future.

I cannot tell you how important this agency is to serving homeless and low income families here in Anne Arundel County.

Christine Smith, LCSW-C, MSW - School social worker, Meade High School

Turning Houses...
When people transition from homelessness to affordable housing, they are often met with empty rooms and no way to furnish them. Through our Turning Houses Into Homes program, we receive a referral from one of our many government or private partners, and interview our clients to determine their needs.

We then deliver donations from our warehouse of used furniture, linens, kitchen supplies, and other household goods. HOPE For All serves hundreds of families, veterans, elderly, and individuals through this program each year. By turning their house into a home, we help to empower them to move forward towards self-sufficiency.

Into Homes

Partners
We partner with government agencies, churches, non-profit groups, and private organizations to reach out to those in need in our community. Some of our partners include:

Not only did you give me help setting up a home, you gave me peace and hope.

Yard Sale
Donations of all non-essential household items are sold at our regularly scheduled Yard Sales to raise funds to support our work. Check our website at www.hopeforallus.org for a current calendar.

For some families, outflating their children to attend school is beyond their financial reach. Through our Head to Toe program, we have provided thousands of Anne Arundel County Public School children with well-fitting shoes and essential clothing. HOPE For All was founded by educators who saw firsthand that students lacking in basic needs do not have an equal opportunity for success. New underwear and socks, clothing for all seasons, and warm winter coats allow children to attend school, ready to learn. An integral part of our mission is our call to serve children.

Need Help?
Contact the Department of Social Services or your child's school. Once we receive a referral for qualified individuals, we will contact you or work directly with your child's school to offer assistance.

**HTT:** Receive student referrals from all AACO Schools. We provided new undergarments, basic athletic shoes, community donated clothing (i.e. coats, hats/gloves, scarves, pants, shirts), and school supplies to Pupil Personnel Workers, Counselors, Social Workers, and staff, who discreetly give these goods to students. Students' families were also referred and given clothing essentials and some household items (i.e. linens).

**Clothing Giveaway Events:** We team with schools (i.e. Tyler Heights, Hilltop Elementary, Judy Center—Bell Grove & Hilltop, Mary Moss Academy, Georgetown East) to give donated clothing and some household items to students/families. (It is hard to know exact # of men, women, and children receiving items. Usually one parent attends and the other parent is working. Many parents do not bring all children and some also shop for other families.

**THIH:** AACO Schools also send household referrals identifying student/family households in need. We provide/deliver beds, furniture, household items, infant items, clothing (as identified above), Baskets of Hope (i.e. hygiene/cleaning/paper products/night lights), books/CDs/DVDs, toys, assistive devices, etc.
