

# Policy Component: Counseling, Psychological & Social Services

---

## **Counseling, Psychological & Social Services Subcommittee Goals and Activities**

**Goal #1      Increase parent, staff and student awareness of mental health services and supports offered in AACPS**

**Activities:**

- 1.1 Provide a bank of mental health services and supports presently offered in AACPS and Anne Arundel County in the Wellness toolkit and on aacps.org
- 1.2 Collaborate with community mental health providers to share information about mental health supports offered in the schools through student services personnel
- 1.3 Inform stakeholders about specific activities that student services personnel deliver in schools to support student mental health
