ITEM 3.01 County Executive’s Recommended FY2023 Operating & Capital Budgets

My family was thrilled that County Executive Steuart Pittman fully funded the staffing needs of AACPS in his current county budget. This budget that will make a direct, positive impact on the students and teachers of Anne Arundel County. On April 6, 2022, I testified before you that Piney Orchard Elementary school is severely overcrowded and will be at 160 percent capacity in the Fall. Piney needs: an additional assistant principal, 3 literacy teachers, 2 Speech-Language Pathologists, 2 counselors, 5 special educators, more teaching assistants, TSAs, lunch monitors and custodial staff. We respectfully request that these necessary staffing allocations be made to Piney Orchard Elementary for the 2022-23 school year. We were thankful to Dr. Arlotto and his staff that families were given an out of area transfer option. With proper and adequate staffing, Piney will be able to function in a very difficult situation. We thank you for your time and listening to the families of the Arundel cluster.

I am the proud parent of a 4th grader at Piney Orchard Elementary School. The school is currently navigating a crisis of overcrowding and desperately needs more resources to support its children and staff. Please approve additional funding for the necessary positions and projects needed to fully staff the school and create an atmosphere that creates a safe, productive learning environment for everyone. Thank you for your leadership.
