

MackinVIA

Access all AACPS databases and electronic resources from home without using a password

<p>From the ClassLink page –</p> <p>Select the MackinVIA icon.</p> <p>This will allow one click, no login access to MackinVIA.</p>	
<p>MackinVIA should automatically open to your school's Mackin site.</p>	
<p>Please note that the Virtual Professional Library is a great staff resource that can be accessed on demand by using the staff Change Site option.</p>	
<p>Staff can type in the name of the desired location. It will begin to automatically populate as you type. Select the location. MackinVIA will now be for new location.</p>	
<p><u>Using MackinVIA</u> a basic introduction.</p> <p>Please note that email notification is not active.</p>
