# AACPS | Fall 2020 Developmental Centers Schedule—Teacher Notes

## **Virtual Instruction**

---

Teachers are able to virtually teach from their classrooms, if they feel comfortable doing so. Please remember if you choose to return to your school to virtually teach from your classroom, other than entering, exiting, and visiting the restroom, you must remain in your classroom.

Teachers who are challenged with unreliable Internet access in their homes are welcome to teach from their classroom where the Internet speed and reliability are high.

## **Learning Blocks**

---

Morning and Afternoon Learning Blocks will be developed to accommodate the individual needs of each student.

## **Special Services**

---

Special services (OT/PT/SLP) may be provided during the instructional time blocks or as a block option for individual therapies or small group instruction of students elsewhere in the school day.

## **Friends and Social Time**

---

These two blocks on Tuesday and Thursday are meant to be virtual time-blocks that classmates can spend together enjoying one another. They may choose to eat their lunch, listen to music, talk, or play a game together. This time will include social skills practice. Teachers will facilitate this time (optional for students) on Tuesday and Thursday for 30 min each day during the beginning of the student lunch break.

## **Office Hours/Connection Time**

---

Office Hours/Connection time is designed for teachers and families to connect with one another. Discussions of student progress with guardians or working individually or in small groups with students may be planned for this time. Any meeting time not used by the administration will default to Office Hours/Connection Time for teachers.

## **IEP Meetings**

---

Office Hours and Meeting Times can also be used for IEP Meetings
