Parent's Request To Perform Treatment Procedure

To Parents:

The undersigned parent(s) (or guardian) of _____ hereby request(s) personnel employed by either the Anne Arundel County Public Schools or the Anne Arundel County Health Department to see that said child receives Gastrostomy Tube Feeding & Care (treatment) AS PRESCRIBED BELOW BY THE CHILD'S PHYSICIAN. It is required by the Anne Arundel County Public Schools and Anne Arundel County Health Department as a condition to its agreement to administer any treatment that the parent must supply the school with supplies for all procedures and be present for the first time a treatment is performed. It is understood that the treatment is administered solely at the request of and accommodation to the undersigned parent(s) or guardian. In consideration of the acceptance of the request to perform this service by any personnel employed by either Anne Arundel County Public Schools or Anne Arundel County Health Department the undersigned parent(s) or guardian hereby agree(s) to release the said institutions and their personnel from any legal claim(s) which they now have or may hereafter have arising out of the performance of the treatment to the student.

I understand that this procedure will be performed using standard nursing procedures. If the procedure is uncomplicated and my child's condition is stable; the school nurse may, at her discretion, teach unlicensed personnel this procedure. School or health personnel may assist toward independence in care if indicated.
