

Elementary Student Schedule: Pre-Kindergarten

In addition to the regular Academic and Cultural Arts classes, the school day for Full-Day Pre-K students includes a 25-minute morning Wellness block, a 25-minute lunch, and a 30-minute recess. Actual class start and end times are determined by the start time of individual schools.

The Wellness block will serve multiple purposes. This is a student-centered time to engage students in listening, sharing and building healthy relationships. This time will ground students in productive social experiences allowing them to share and grow as a community.

Academic Flex will be incorporated in the mathematics and literacy blocks. Academic Flex is time for students to receive support or extension individually or in small groups with a teacher, resource teacher and/or teaching assistant. This is time for targeted practice on skills previously taught and without new instruction taking place. This should occur twice a week for 15-20 minutes.

Actual class times are determined by the start time of each elementary school.
