

Elementary Student Schedule: Pre-Kindergarten

In addition to the regular Academic and Cultural Arts classes, the school day for Full-Day Pre-K students includes a 25-minute morning Wellness block, a 25-minute lunch, a 30-minute wellness and play time, and a 15-minute break in both the morning and the afternoon. Actual class start and end times are determined by the start time of individual schools. In addition to the regular Academic classes, the school day for Half-Day Pre-K students includes a 25-minute morning Wellness block and a 10-minute break. Actual class start and end times are determined by the start time of individual schools.

The Wellness block will serve multiple purposes. This is a student-centered time to engage students in listening, sharing and building healthy relationships. This time will ground students in productive social experiences allowing them to share and grow as a community.

Academic Flex will be incorporated in the mathematics and literacy blocks. Academic Flex is time for students to receive support or extension individually or in small groups with a teacher, resource teacher and/or teaching assistant. This is time for targeted practice on skills previously taught and without new instruction taking place. This should occur twice a week for 15-20 minutes.

Actual class times are determined by the start time of each elementary school.
