

# Developmental Centers–Primary Student Schedule

Special services (OT/PT/SLP) may be provided during the instructional time blocks or as a block option for small groups of students elsewhere in the school day.

In addition to the regular Academics and Cultural Arts classes, the school day for developmental center students includes a 20-minute morning Wellness block, a 30-minute lunch, a 30-minute wellness and play time, and a 15-minute break in both the morning and afternoon.

The Wellness block will serve multiple purposes. This is a student-centered time to engage students in listening, sharing and building healthy relationships. This time will ground students in productive social experiences allowing them to share and grow as a community.

Please note that to accommodate the AM and PM breaks the math, literacy, cultural arts, and school-wide club blocks were shortened. Times remain the same for morning meeting, wellness, science/social studies, academic rotations/VTC, and the midday break. Schools will create these blocks within their current schedules; the goal is to reduce minutes in literacy, math, cultural arts, and school-wide clubs, not redo master schedules.

For the AM break please note that 10-15 minutes have been removed from the literacy block and 5-minutes have been removed from cultural arts.

For the PM break 5-minutes was removed from literacy or school-wide clubs and 10-minutes have been removed from math.
