| Important Questions   | Answers  | Why This Matters:  |
|---|--|--|
| What is the overall <a href="#">deductible</a> ?                                | \$0  | See the Common Medical Events chart below for your costs for services this plan covers.  |
| Are there services covered before you meet your <a href="#">deductible</a> ?    | Yes, all In-Network services, are provided without a deductible.   | This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other <a href="#">deductibles</a> for specific services?              | There are no other specific deductibles.   | You don't have to meet <a href="#">deductibles</a> for specific services.  |
| What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a> ? | Medical and Prescription Drug combined (except EGWP Members):<br>In-Network: \$6,350 individual/\$12,700 family; Medical for all Members:<br>In-Network: \$2,000 individual/\$6,000 family/\$1,300 individual complimentary to Medicare. | The <a href="#">out-of-pocket limit</a> is the most you could pay in a <a href="#">plan</a> year for covered services. If you have other family member(s) on the <a href="#">plan</a> , each family member may need to meet their own <a href="#">out-of-pocket limits</a> , OR all family members may combine to meet the overall family <a href="#">out-of-pocket limit</a> , depending upon <a href="#">plan</a> coverage. Please refer to your contract for further details.   |
| What is not included in the <a href="#">out-of-pocket limit</a> ?               | Premiums, balance-billing charges, health care this plan doesn't cover, copayments for certain services, and penalties for failure to obtain pre-authorization for services.   | Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .  |
| Will you pay less if you use a <a href="#">network provider</a> ?               | Yes. See <a href="http://www.carefirst.com">www.carefirst.com</a> or call 855-258-6518 for a list of Network providers.  | This <a href="#">plan</a> uses a <a href="#">provider network</a> . You will pay less if you use a <a href="#">provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use an <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Be aware your <a href="#">network provider</a> might use an <a href="#">out-of-network provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services. |
| Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?    | No   | You can see the <a href="#">specialist</a> you choose without a <a href="#">referral</a> .   |
