## Naval Science

The Navy Junior Reserve Officer Training Corps (NJROTC) at Annapolis High School is open to all high school students in AACPS. The goal of JROTC programs is good citizenship. As a JROTC cadet, you'll get a sense of home and a greater sense of family. You will be taught the values of citizenship by doing the right thing daily. Cadets experience teambuilding activities, competitions such as Drill Team, Athletic Team, Colorguard Team, etc., and many other community service opportunities throughout the school year.

AHS cadets did an outstanding job this year despite COVID challenges. They accumulated nearly 2000 community service hours and earned the Unit Achievement designation after being ranked 19th out of 58 NJROTC units within VA, D.C., MD, and Delaware. They are looking forward to an outstanding 2022 school year and remaining committed to the core values:

**Honor, Courage, and Commitment.**
