Today’s Assignment – The last time we met, you explored some possible topics for your PSA. Today you will make a final decision and start your research.

Identify Your Topic ____________________________

Collect Some Research – interesting facts, startling statistics, etc.

You will not use all of this information, but it will allow you to better understand what needs to be done to address the problem.

1. 

2. 

3. 

4. 

Generate some possible hooks for the PSA -
What is the call to action? What do you want the audience to do as a result of your PSA?

Start the creative process. Remember your PSA must be between 30 and 60 seconds.

If you need to write on another sheet of paper, you may. Once you are happy with your PSA, practice and time the product.
