How Can Partners Help During the Summer Months?

As our shared experience of school closure has certainly been a learning experience for everyone, we are all looking forward to health and rejuvenation with some future sun and fun.

During the summer break, Partners for Success offices are closed. However, we regularly check the emails listed to the right as well as the voicemail at our office, 410-222-3805.

Check out our website at [www.aacps/partnersforsuccess.org](http://www.aacps/partnersforsuccess.org).

If you need immediately assistance, please contact Angie Gilbert at 410-222-5423.
