Certification of Health Care Provider for Family Member’s Serious Health Condition (Extended Leave, FMLA, and JPAL)

SECTION I: Completed by the Employee

Please complete this section before giving this form to your family member or his/her medical provider. The FMLA permits an employer to require that you submit a timely, complete, and sufficient medical certification to support a request for FMLA leave to care for a covered family member with a serious health condition. If requested by your employer, your response is required to obtain or retain the benefit of FMLA protections. Failure to provide a complete and sufficient medical certification may result in a denial of your FMLA request. Your employer must give you at least 15 calendar days to return this form to your employer.

SECTION II: Completed by the Health Care Provider

The employee listed above has requested leave under the FMLA to care for your patient. Answer, fully and completely, all applicable parts below. Several questions seek a response as to the frequency or duration of a condition, treatment, etc. Your answer should be your best estimate based upon your medical knowledge, experience, and examination of the patient. Be as specific as you can; terms such as “lifetime,” “unknown,” or “indeterminate” may not be sufficient to determine FMLA coverage. Limit your responses to the condition for which the patient needs leave. Do not provide information about genetic tests, as defined in 29 C.F.R. § 1635.3(f), or genetic services, as defined in 29 C.F.R. § 1635.3(e).
