The total number of parent responses for this question was 45,121.
Question 2: Please select the grade(s) your student(s) will be in when we reopen in the fall for the 2020-2021 school year.

- PreK/ECI: 3.74%
- Kindergarten: 10.29%
- 1st grade: 13.49%
- 2nd grade: 13.38%
- 3rd grade: 13.46%
- 4th grade: 13.42%
- 5th grade: 13.65%
- 6th grade: 13.34%
- 7th grade: 13.36%
- 8th grade: 13.43%
- 9th grade: 12.42%
- 10th grade: 12.41%
- 11th grade: 11.96%
- 12th grade: 11.29%
- Other: 1.32%

The total number of parent responses for this question was 45,121.
Question 3: Enter the name of the school your student/oldest student attended in the 2019-2020 school year.

Due to the volume of data associated with this question, we are unable to display all of the results. In summary, all AACPS schools had representation on the survey.

Question 4: Enter the name of the school your student/oldest student will attend in the fall for the 2020-2021 school year.

Due to the volume of data associated with this question, we are unable to display all of the results. In summary, all AACPS schools, including our new Crofton High School opening in the fall, had representation on the survey.

The total number of parent responses for these questions was 45,121.
Question 5: My family lives in the following school cluster:

</tbody>
</table>

The total number of parent responses for this question was 45,121.
Question 6: Please select the specialized program, curricula, or services in which any of your students participate or receive support?

- None: 63.64%
- 504 Plan: 11.79%
- Special Education Services: 11.53%
- Magnet Program: 11.69%
- Home Instruction Program: 0.41%
- Home & Hospital Teaching Program: 0.45%
- English Learners Services: 1.69%
- CAT Center CTE Programs: 5.51%

The total number of parent responses for this question was 45,121.
Question 7: Did the daily distribution of spring 2020 meals throughout the county meet your nutritional needs for your student(s)?

The total number of parent responses for this question was 45,121.
Question 8: Select the statement below that best describes your family childcare status or needs in fall of 2020, if reopening of school is in hybrid or virtual format?

- I/we do not require childcare: 58.88%
- I/we will be looking to place my/our child(ren) in a local licensed daycare facility: 11.02%
- I/we have childcare secured with a licensed daycare provider: 3.83%
- I/we will be looking for childcare in my community with neighbors, friends, or family: 13.77%
- I/we have childcare secured with neighbors, friends, or family: 12.50%

The total number of parent responses for this question was 45,121.
Question 9: Assuming all guidelines for reopening of schools have been met, and if given a choice, how would you prefer for your student(s) to attend school in 2020-2021?

- Combination of face-to-face and virtual learning with students attending school physically on a rotational basis (e.g. A Day/B Day, A Week/B Week, split sessions, etc.) as well as learning online: 32.55%
- Virtual school daily, at home, with AACPS educators on a schedule teaching subjects or course both synchronously (live teaching) and asynchronously (recorded teaching): 21.48%
- In-Person or Face-to-Face school daily, adhering to the guidelines set forth by the CDC (including social distancing, cleaning, etc.): 45.97%

The total number of parent responses for this question was 45,121.
Question 10: If school reopens this fall with in-person teaching and learning, do you intend for your student(s) to use AACPS transportation (school buses), if eligible? NOTE: There will be a reduced number of students riding the bus to honor the social distancing mandate.

![Bar chart showing responses to Question 10]

- Not Eligible: 12.19%
- No: 28.95%
- Yes: 58.86%

The total number of parent responses for this question was 45,121.
Question 11: If we reopen school in the fall with in-person learning or a hybrid of in-person and virtual learning, select the option below that best represents your current plan for your student’s in-person lunchtime meal in the classroom?

- N/A 4.33%
- My student will purchase a hot meal on somedays and bring lunch and drink on other day to eat in the classroom. 33.09%
- My student will bring a lunch to school daily from home to be eaten in the classroom, but will be purchasing a cold... 2.41%
- My student will bring a lunch and drink to school daily from home to be eaten in the classroom. 47.47%
- My student will purchase a hot meal from school to be eaten in the classroom 12.70%

The total number of parent responses for this question was 45,121.
Question 12: Physically paying to purchase meals will be more difficult this fall, both at school if students are learning in-person and at meal pickup locations if students are learning virtually. Prepaying for lunch meals, drinks, and snacks through the online portal (MyPaymentsPlus) by using a debit or credit card will make the student purchase of meals easier. Will prepaying be possible for your family?

- Yes: 72.03%
- Maybe: 16.96%
- No: 11.00%

The total number of parent responses for this question was 45,121.
Question 13: If schools reopen in the fall for in-person teaching and learning, would you be willing to support your student(s) engaging in athletics, music programs, co-curricular clubs, or afterschool enrichment programs with appropriate social distancing in place?

Yes 80.80%
No 19.20%

The total number of parent responses for this question was 45,121.
Question 14: What do you feel are the top 3 priorities AACPS needs to focus on as we prepare to reopen? (choose 3)

- Preparing teachers, staff, and students for academic recovery: 49.92%
- Training teachers and other staff on social distancing and mask requirements: 18.69%
- Preparing teachers to support students' social emotional needs: 15.18%
- Teaching students and staff good hygiene practices: 22.17%
- Supporting community and relationship building for a healthy transition back to school: 18.26%
- Preparing the school to meet social distancing and safety requirements: 57.85%
- Communicating with families about reopening processes and procedures: 49.68%
- Ensuring the disinfecting of schools and buses: 62.66%

The total number of parent responses for this question was 45,121.
Question 15: In the event that modifications are needed to reopen schools for in-person learning, we will follow CDC guidance such as social distancing, etc. Based on this information, which option would you prefer for your student(s) for in-person learning in the fall?

- Attending one week of half-day or full-day in-person schooling followed by a week of virtual learning from home (A week/B week rotations): 10.57%
- Attending two (2) days back to back in-person instruction and three (3) days at home each week learning virtually [e.g. face-to-face instruction in the school building for two (2) days in a row (Monday and Tuesday)]: 16.58%
- Attending school on alternate days, for example, attending physically/face-to-face on Monday and Wednesday while participating virtually/online the other days, Tuesday, Thursday, Friday (Hybrid A-): 24.94%
- Attending school all days of the week but instituting two shifts (AM/PM) during the day to maintain smaller class sizes: 13.71%
- Attending school for a full day, all days of the week: 34.20%

The total number of parent responses for this question was 45,121.
Question 16: Which of the following are the most important factors when deciding which schooling model is best for your family? (Choose up to 3 from the list below)

- I want a schedule that allows my student(s) to learn virtually at least through the fall semester: 25.87%
- I want a schedule that allows my student(s) to have their special education-specific needs met consistently: 12.99%
- I want to ensure that my student(s) has access to the same elementary school teacher throughout the year: 17.04%
- I want my student(s) to have the shortest breaks between days of in-person/face-to-face instruction as possible (e.g., every other day in-person): 14.48%
- I want my student(s) to have a consistent learning schedule weekly: 66.43%
- I want a schedule that allows me to go to work on a regular basis: 26.18%
- I want a model that maximizes school attendance, time learning face-to-face in my student(s)'s school regardless of the schedule: 37.97%
- I want a schedule that allows for classroom cleaning daily, maximizes classroom and instructional tools and equipment cleaning: 52.05%

The total number of parent responses for this question was 45,121.
Question 17: Which of the following learning models supports are you the most important for your student(s) to receive next year? (Choose up to 3 from the list below)

- Technology support: 18.22%
- Enrichment – arts, sports or co-curriculars: 36.69%
- Academic guidance counselors (e.g., help navigating college-admissions process): 17.01%
- Social or community connection to other students: 49.33%
- Support related to my student’s IEP or special education needs: 15.65%
- Reliable access to breakfast/lunch: 6.47%
- English-Language Learner (ELL) support: 2.92%
- Transportation to/from school: 23.96%
- Robust academic learning/progression on a daily basis: 69.61%
- Social emotional supports and counseling services: 27.98%

The total number of parent responses for this question was 45,121.
Question 18: Health Focus (Highly important, Neutral, Low level of importance)

The total number of parent responses for this question was 45,121.
Question 19: Please indicate your top three (3) priorities for your student(s), if we are engaged in virtual learning in the fall when school reopens.

AACPS Fall 2020 Family Survey Results

The total number of parent responses for this question was 45,121.
Question 20: Select your top 3 AACPS means of communication you preferred while your student(s) were engaged in eLearning this spring?

The total number of parent responses for this question was 45,121.
Question 21: What types of devices did your family have available for your student(s)’ use while learning at home?

Question 22: Which of these options below best describes your student(s)’ ability to learn using a smart device from home at any time during the school day in the fall 2020 if school reopens virtually?

- My student(s) has no access to a device for learning from home during the day: 1.40%
- My student(s) has minimal or limited access to the device for learning at home during the day: 3.27%
- My student(s) share the device(s) with at least one family member during the day; they have reduced access to the device for learning during the day: 19.63%
- My student(s) has access to a device that they can use anytime for learning at home during the day: 75.70%

The total number of parent responses for this question was 45,121.
Question 23: How many smart devices do you have in the home that your student(s) can access during the day (8:00 am—4:00 pm) as needed for virtual learning (other than a smartphone)?

The total number of parent responses for this question was 45,121.
Question 24: Does your family have access to reliable internet service in your home to support online learning?

- Yes: 97.72%
- No: 2.28%

The total number of parent responses for this question was 45,121.
Question 25: Please indicate the internet service provider in your home.

- Other: 1.85%
- I do not have internet in my home: 1.09%
- Broadstipe: 2.96%
- Comcast: 26.01%
- Verizon: 68.09%

The total number of parent responses for this question was 45,121.
