Counseling, Psychological & Social Services Subcommittee Goals and Activities

Goal #1 Increase parent, staff and student awareness of mental health services and supports offered in AACPS

Activities:

1.1 Provide a bank of mental health services and supports presently offered in AACPS and Anne Arundel County in the Wellness toolkit and on aacps.org
1.2 Collaborate with community mental health providers to share information about mental health supports offered in the schools through student services personnel
1.3 Inform stakeholders about specific activities that student services personnel deliver in schools to support student mental health
